

CLOUD 9™ 1182

LIFT COFFEE TABLE

INSTRUCTION MANUAL

LET'S GET STARTED.

DESIGN MATTHEW WEATHERLY

BDi

BDIUSA.COM

Congratulations on the purchase of your Cloud 9 Lift Coffee Table 1182 from BDI. Your coffee table has been designed to provide a lifetime of enjoyment. This manual will provide you with assembly instructions and other helpful information to ensure that you get the most out of your product. Please save it for future reference.

Your Cloud 9 Lift Coffee Table has been engineered for simple assembly. Please follow these directions carefully to prevent any damage.

Should you need further assistance, contact BDI at customerservice@bdiusa.com.

ENJOY!

HARDWARE AND COMPONENTS

Unpack and identify the parts listed below. The assembly workspace should be a non-marring surface such as carpet. For missing hardware pieces, please contact BDI Customer Service at customerservice@bdiusa.com.

Do not use power tools for the assembly of this product.

For all other concerns, please contact your BDI retailer.

PART #	T1
DESCRIPTION	Hex Wrench
QUANTITY	1

PART #	H1
DESCRIPTION	M6 x 10mm Screw
QUANTITY	8

PART #	H3
DESCRIPTION	Nylon Leveler (Installed)
QUANTITY	4

PART #	H4
DESCRIPTION	Rubber Leveler
QUANTITY	4

PART #	C1
DESCRIPTION	Leg Frame
QUANTITY	2

PART #	C2
DESCRIPTION	Top Assembly
QUANTITY	1

NOTE: Do not remove the straps that are keeping the tabletop in its closed position.

Orient the table as shown. Attach the **(C1) Leg Frames** with countersunk holes facing away from the metal box. Secure the **(C1) Leg Frames** using **(H1) Screws** and **(T1) Hex Wrench**.

	PART/DESCRIPTION	QTY
	T1-HEX WRENCH	1
	H1-SCREW	8

STEP 2. REMOVE STRAPS

2 PERSON TASK

ASSEMBLY

With help from another person, carefully flip the table onto its base.
Remove both of the straps.

POSITION TABLE

FINE TUNING

With the opening side of the metal tray facing the sofa, position the table approximately 12"-14" from the front of the sofa.

CAUTION! Do not move the table with the tabletop in its extended position.

Moving the table by its base is recommended.

Use the finger pull located along the tabletop's underside and pull the tabletop to its fully extended position.

If required, use the levelers to make adjustments to the table's base.

The preinstalled **(H3) Nylon Levelers** are intended for use on carpeted surfaces.

If using the table on hard flooring, these levelers should be switched to the included **(H4) Rubber Levelers**. These will prevent the table from sliding during use. Adjust as needed to level the table.

⚠ CAUTION

TABLE TOP LOAD CAPACITY

OPEN: 30 lbs

CLOSED: 100 lbs

GLASS

The glass surface is maintained using household glass cleaner and a paper towel or cloth.

SATIN-ETCHED GLASS

This uniquely smooth-to-the-touch glass surface can be regularly maintained using household glass cleaner and a paper towel or cloth. Minor scratches or scuffs not eliminated using paper towel or cloth can usually be removed by using a 'Magic Eraser'. Magic Eraser is a melamine foam product available at any grocery store or home improvement center. Dampen the entire glass surface and the Magic Eraser, then rub the entire glass surface in broad, even strokes using moderate pressure. Clean and dry the surface with a paper towel. Check for results and repeat as necessary.

Any scratches or scuffing not eliminated by one of the above methods can often be addressed by 'refreshing' the glass. This is a process that should not be required more than once per 6-12 months. See this brief video for the simple method: www.bdiusa.com/glass

WOOD

Wood surfaces should be cleaned with a slightly damp (not saturated) cloth or paper towel. Do not use glass cleaner on wood. If moisture remains, dry the surface with another cloth. If needed, a gentle non-abrasive cleanser may be used, but be sure to wipe away all cleaner residue and dry the surface with a cloth.

BDI's wood finishes feature natural hardwood solids and veneers. Wood is a product of nature and—unlike man-made materials that can be manufactured to strict and consistent specifications—has natural imperfections that are part of its appeal and character. Every piece of wood differs from every other, even when coming from the very same tree. As such, variation in grain, texture and tone should be expected from one panel or piece of furniture to the next.

While BDI's stained wood finishes are stable in tone & appearance, all finishes are subject to some degree of discoloration with prolonged exposure to direct sunlight. Please take care to avoid positioning your BDI cabinet in any area with extensive direct sunlight. To learn more about the features of natural wood, visit www.bdiusa.com/wood

METAL & PAINTED SURFACES

Surfaces should be cleaned with a slightly damp (not saturated) cloth or paper towel. If moisture remains, dry the surface with another cloth. If needed, a gentle non-abrasive cleanser may be used, but be sure to wipe away all cleaner residue and dry the surface with a cloth.

WARRANTY

BDI warrants to the original purchaser that for the below-stated warranty term, BDI will repair or replace any product, part, or component covered by this warranty that fails under normal use as a result of a defect in material or workmanship. BDI will repair or replace the aforementioned product, part or component with a comparable product, part or component. The decision to repair or replace will be at BDI's sole discretion.

BDI Home Theater Furniture, Office Furniture, Modular Systems, Tables, and other furniture pieces are warranted for three (3) years from the date of purchase as shown on your sales receipt. The warranty period starts from the date of purchase. This warranty extends only to the original purchasers who acquire new products from BDI Authorized Resellers. Any product, part, or component must have been assembled, installed, used, and maintained according to BDI's published instructions to be eligible for warranty coverage. Any modification to the original product voids the warranty.
