

BOTERO 1

Design: T.Colzani

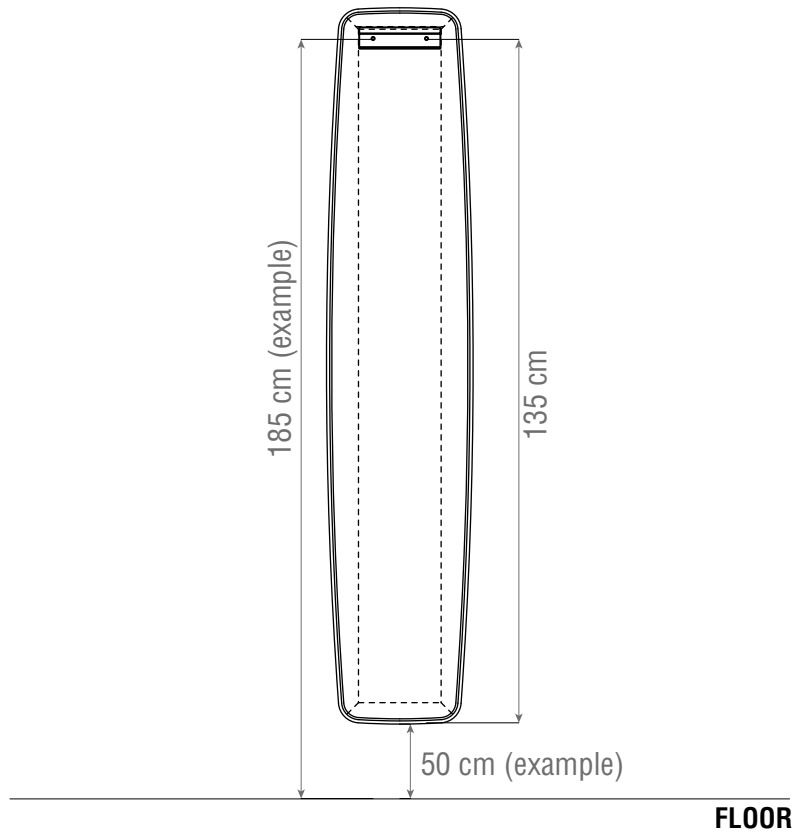

SPECCHIO DA PARETE / WALL MIRROR

ISTRUZIONI MONTAGGIO ASSEMBLY INSTRUCTIONS

Istruzioni di montaggio VERTICALE VERTICAL assembly-instruction

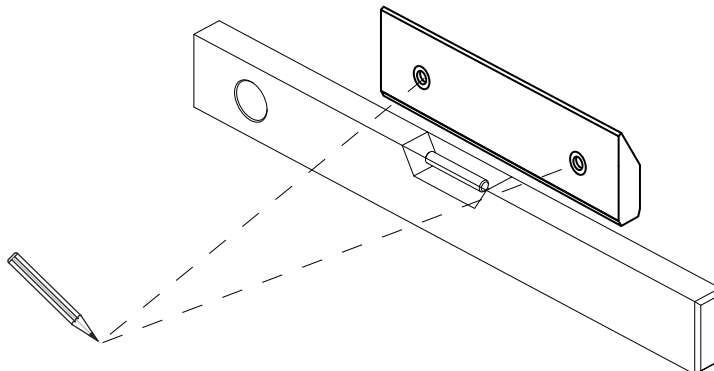

1

Verificare l'altezza a cui si desidera posizionare lo specchio in modo da ottenere la distanza a cui posizionare il supporto di legno, come rappresentato nell'esempio in figura.

Verify the desired height of the mirror in order to obtain the correct height to place the wooden support, as shown above in the drawing.

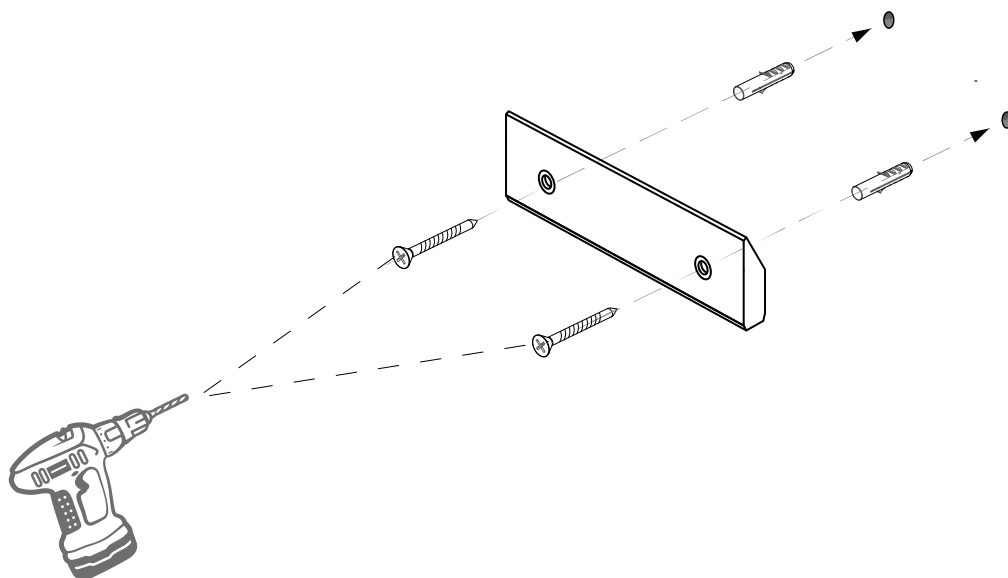

2

Posizionare il supporto in legno sulla parete e segnare i 2 fori, verificandone l'allineamento orizzontale.

Place the wooden support against the wall and mark the 2 holes to be drilled, verifying horizontal alignment to the floor.

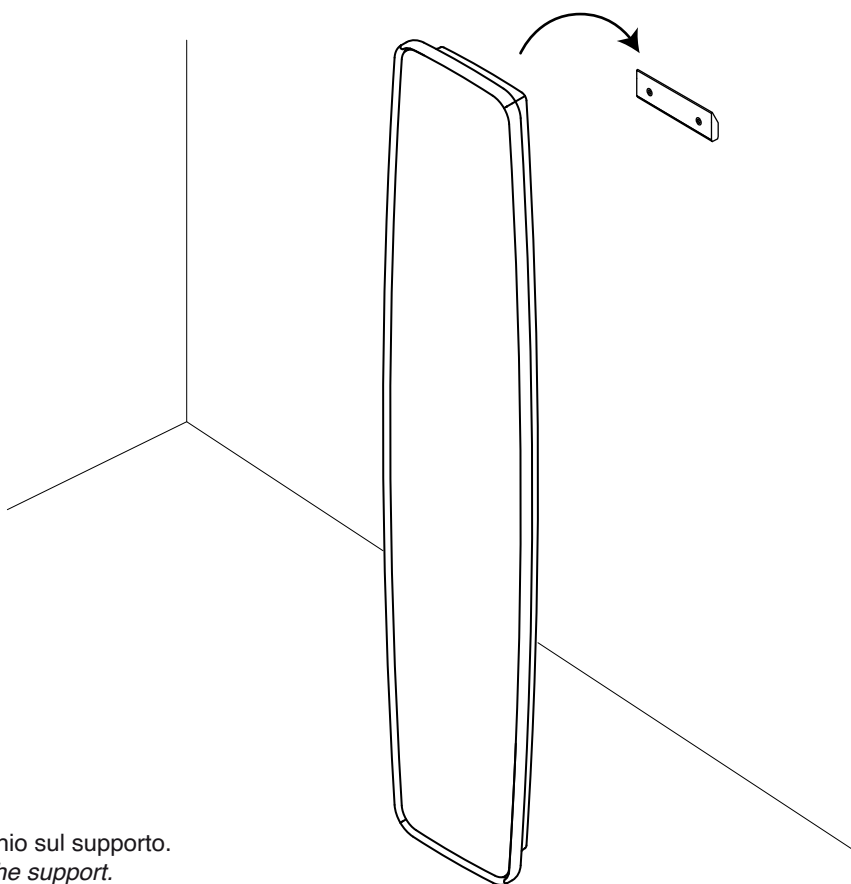

3

Praticare i 2 fori precedentemente segnati sul muro e fissare il supporto alla parete con viti e tasselli in dotazione. Verificare che tasselli e viti in dotazione siano adatti al tipo di parete alla quale verrà fissato il supporto, altrimenti provvedere alla sostituzione con materiale idoneo.

Drill the 2 holes and previously marked and fix the support to the wall with the dowels supplied. Please check that the hardware supplied is suitable for the wall the mirror will be hung on.

4

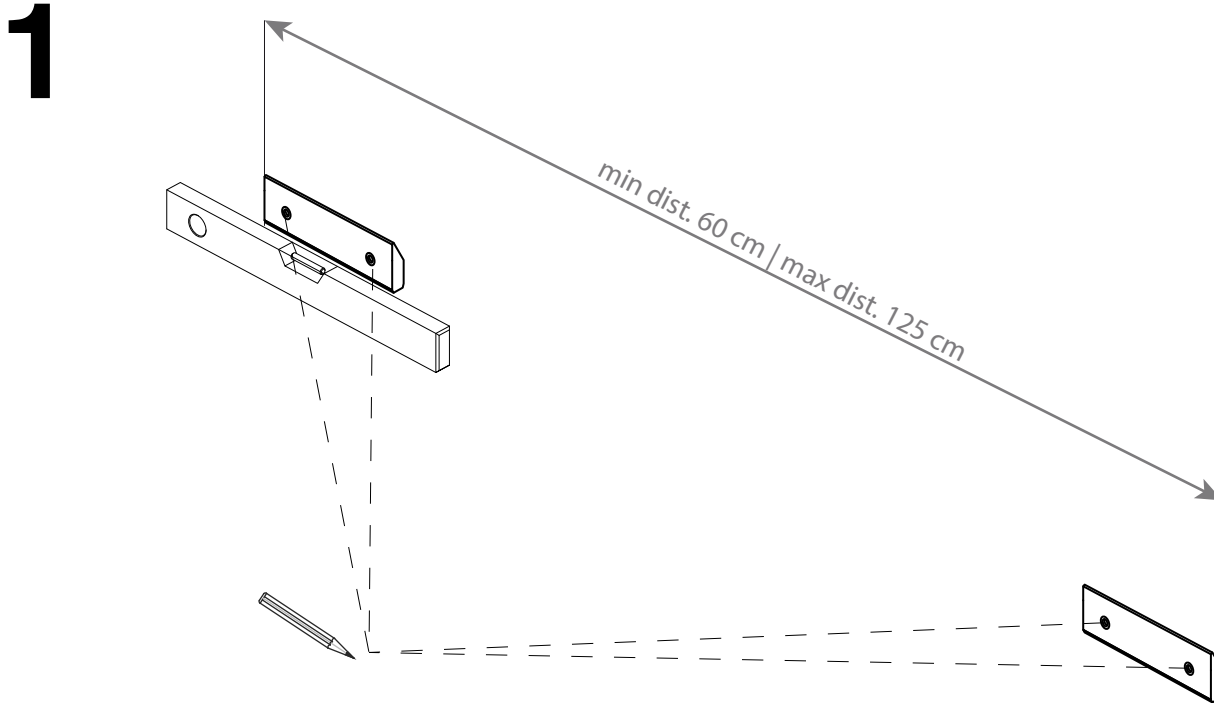

Agganciare lo specchio sul supporto.
Hang the mirror on the support.
